TERMS AND CONDITIONS

Confidentiality and Acceptance

This proposal is confidential and intended for the exclusive use of Matt Diehl and their authorized representatives. It shall not be shared with any third party or competitor without prior written consent from Black Badge Doors.

Price Variations

The prices outlined in this proposal are subject to change based on final design choices, material selections, and other project specifications. A final quote will be provided upon completion of the design phase.

Acceptance and Proceeding

To proceed with the project, Matt Diehl must sign and return this proposal form and the accompanying Order Contract. By signing below, Matt Diehl acknowledges acceptance of the terms and conditions outlined in this proposal and the Order Contract.

PRODUCT AND PERFORMANCE INFORMATION

NFRC energy ratings and values may vary depending on the exact configuration of glass thickness used on the unit. This data may change over time due to ongoing product changes or updated test results or requirements.

The National Fenestration Rating Council (NFRC) has developed and operates a uniform national rating system for the energy performance of fenestration products, including windows and doors. For additional information regarding this rating system, see www.nfrc.org

NFRC energy values and ratings may change over time due to ongoing product changes, updated test results or requirements.

Project Approval and Acceptance of Quote

I have thoroughly examined each line item quote and confirm that the product specifications and associated pricing are accurate and meet my expectations. Based on this review, I hereby approve the project quote and authorize the commencement of the procurement process, subject to the terms and conditions outlined below.

Important Note:

This approval is conditional upon the receipt and review of detailed CAD drawings, which will be issued separately prior to production start. The CAD drawings will provide the final and definitive specifications for the project, and any discrepancies or changes to the original quote will be addressed at that time.

I understand and acknowledge that this quote is not a production order, but rather a preliminary agreement on pricing and specifications. The CAD drawings will serve as the basis for the final production order, and I reserve the right to request changes or modifications prior to production start.

I also understand and acknowledge that additional charges, taxes, or other fees may be applicable, as outlined in the Terms and Conditions. I accept these potential additional costs and confirm my agreement to the terms outlined in the quote.

By approving this project quote, I confirm my acceptance of the terms and pricing outlined, subject to the receipt and review of the detailed CAD drawings.
